

PRESS RELEASE

## **SOLIDWORLD GROUP LAUNCHES NEW CORPORATE WEBSITE: A NEW HORIZON IN CORPORATE COMMUNICATION AND TRANSPARENCY**

*The website introduces brands and products through storytelling that also includes business cases while also expressing the corporate culture that seeks to cultivate valuable relationships*

Treviso, April 9, 2024 - The SolidWorld Group is pleased to announce the launch of its new website, [www.solidworldgroup.it](http://www.solidworldgroup.it), which represents a significant step forward in its communication strategy and commitment to transparency. Through revamped and improved design and by introducing the three business pillars of Industrial, Biomedical and Solar, the new site provides simplified and intuitive access to the Investor Relations and Governance areas, reaffirming the Group's commitment to stakeholders and the financial market.

**An Innovative Investor Relations Platform:** the new Investor Relations section of the website has been restructured to ensure that current and potential investors, analysts, and all stakeholders have immediate access to comprehensive financial information, updates on corporate events, half-year and annual reports, and essential market data. The platform will provide users with a detailed and up-to-date view of our financial performance and growth strategies.

**Transparent and Responsible Governance:** by revamping the Governance section, the SolidWorld Group reiterates its commitment to transparency and business ethics. This area of the site offers stakeholders detailed information on the structure of corporate bodies, company documents and other governance initiatives. It emphasizes dedication to responsible management and compliance with the highest standards of integrity and corporate responsibility.

**Improved User Experience:** the website is designed to provide a user experience that is both smooth and interactive. Thanks to an intuitive interface and advanced search features, the new site provides easy access to a wide range of information and resources.

**Invitation to the Financial Community and the Media:** the SolidWorld Group invites investors, financial analysts, journalists, and the public to explore the new website and discover the revamped information and resources. We are certain that this platform will significantly improve communication with our stakeholders and contribute to increased understanding of our strategic goals and performance.

*SolidWorld Group S.p.A. is the parent of a group of 11 companies founded in the early 2000s by engineer Roberto Rizzo. Listed on the Euronext Growth Milan segment, the Group is a leading developer and integrator of the latest and most comprehensive digital 3D software and hardware for manufacturing companies, supporting and accelerating their journey to Industry 5.0. Thanks to SolidWorld, all stages of production - as far as sale and recycling - are integrated using technologies that make the production process faster and more sustainable and efficient. It operates through 14 offices and 3 technology hubs and has over 150 employees and more than 10,000 client enterprises. In 2023, the Group began mass production of Electrospider, a 3D bioprinter capable of reproducing human cell tissues and organs. The acquisition of Valore BF 3d S.r.l. was finalized in 2023, which SolidWorld saw acquire a new client base. In 2023 it completed the transfer of a technology business unit from Formula E S.r.l., a company of the Vismunda S.r.l. Group, a world leader in automation for equipment focusing on the renewable energy sector. The SolidWorld Group reported revenues of Euro 33.1 million in H1 2023, with a value of production of Euro 35.2 million*

and EBITDA of Euro 2.8 million. The company has been listed on the Euronext Growth Milan segment of Borsa Italiana since July 6, 2022 (with ticker S3D). [www.solidworldgroup.it](http://www.solidworldgroup.it)
